Your Honor:

Yesterday, following her entry of a plea of guilty to the above captioned Information, the Court ordered Ms. Wallace's bail revoked with the condition that she surrender to the United States Marshals by 5 p.m. today. With the consent of the government, including the approval of Lauren Goldberg, the Chief of the Narcotics Division, we request that the Court modify its Order to permit Ms. Wallace to complete the residential portion of her drug treatment program before being remanded.

The present conditions of Ms. Wallace's bail include a \$100,000 personal recognizance bond signed by three persons and strict pre-trial supervision. On February 1, 2008, Pre-trial Services placed Ms. Wallace in a residential drug treatment program by Pre-trial Services. The program is operated by Daytop Village and is located in Rhinebeck, New York.

If the Court grants our request, Pretrial Services will arrange for Ms. Wallace to be returned to the Daytop Village program tomorrow morning, February 8, 2008.

In sum, we ask the Court to modify its Order regarding bail to provide that Ms. Wallace be permitted to complete her residential drug treatment program as directed by Pretrial Services. Upon completion, Ms. Wallace will be remanded. While she is in the drug treatment program,

Honorable Richard J. Sullivan
United States District Judge
